Power poles are not bulletin boards.

The more damage caused by each staple, tack, or nail, the quicker that pole goes bad, and could cause a safety hazard for our linemen and early replacement.

As a member-owned utility, the cost is borne by every member, so save yourself and your neighbors some money and help us take care of your poles.

Electric cooperatives provide power with purpose.

NATIONAL CO-OP MONTH

THE VALUE OF ELECTRICITY

Family Movie Night Out = \$80

VS

Powering your TV = \$0.01^{an hour}

Reliable, affordable, here for you.

Four hours of entertainment for about the cost of... a few cents of electricity.
