1. Applicants must be the child or legal ward of a permanent residential electric cooperative member receiving service for the duration of the 2020-2021 academic year (August 2020 - June 2021). Children/wards of electric distribution cooperative commercial members are not eligible unless their parents are also permanent residential electric cooperative members.
2. Applicants must be graduating seniors who have all basic credits for college or proper vocational or technical school entrance. A “proper vocational or technical school” is defined as a post-secondary institution where credits can be transferred to a state accredited four-year college.
3. Applicants in both divisions must have a cumulative grade point average of **3.5** or above on a 4.0 scale or an equivalent standing on a nontraditional scale.
4. Winners must be accepted and then enrolled in an accredited college or proper vocational/technical school of students’ choice when they receive the award. Winners who are accepted and then enrolled in an accredited school of nursing, working toward a degree, are also eligible.
5. Students may not be immediate family members of, or reside with, people who are employed by **any** electric cooperative in Ohio (employees, trustees, managers, OEC, **or** affiliated organizations such as Buckeye Power, Inc., RESCO, etc.).
6. Applications must be submitted (typed to be accepted) on forms furnished by and submitted to **Midwest Electric Inc.** Cooperatives will choose one finalist to advance the state level. 7. Applicants who receive “full-ride” scholarships (i.e., scholarships that cover the cost of tuition, room, board and books) to the schools of their choice are not eligible for scholarships from OEC. Applicants who win an OEC scholarship and subsequently receive a full-ride scholarship following the Children of Members scholarship competition, must contact OEC immediately to forfeit this scholarship.
8. All scholarships must be accepted in the first academic year after proof of enrollment is received by OEC. However, an extension of one year may be granted for just cause in the judgment of the president of OEC. In the event students are unable to fulfill their enrollment obligation under this program, the awards are forfeited.
